OWI	OUID	DWLS	WARRANT	FELONY
3	0	1	2	0

SUMMARY OF NOTABLE INCIDENTS

Suspicious Circumstance

On April 26th an officer responded to a residence on Oakland Ave for a report of a threat complaint. Upon arrival the officer learned from the complainant that the complainant had met a woman online through an App called "Spot a Friend". After chatting online for sometime, the suspect asked to see the complainant's driver's license and he complied. Shortly thereafter the suspect asked for the complainant's bank information, to which he declined. The suspect then became very threatening online so the complainant blocked the woman. A database check showed that the name and address that the suspect provided to the complainant did not exist.

Operating While Intoxicated / Resisting Arrest

On April 26th an officer observed a silver Hyundai speeding and weaving on Farmington Rd. The vehicle turned onto Meadowlark St. and sped to over 47 mph on the 25 mph street. The officer was able to catch up to the vehicle as it stopped in front of a Meadowlark residence. As the Hyundai stopped, the driver threw her keys out of the window and exited the car. The officer called to the driver, but she ignored him and started walking towards her home. The officer grabbed onto the driver as she started yelling for her boyfriend, who was in the backyard. The woman pulled away from the officer and yelled that the officer couldn't do anything because she had made it home. The woman had obviously been drinking and had a strong odor of intoxicants on her breath. The boyfriend exited the backyard and began threatening the officer to let his girlfriend go. The officer was able to drag the driver away from the hostile boyfriend and secure her in handcuffs as the boyfriend entered the driver's car and destroyed an opened container of liquor. Back up officers arrived on scene and were able to arrest the boyfriend for interfering. The driver was arrested for operating while intoxicated and later submitted to a breath test which resulted in a .15 BAC. The driver is being charged with OWI and resisting arrest and her boyfriend was charged with interfering with a police officer as well as disorderly intoxication.
