SUMMARY OF NOTABLE INCIDENTS

Resist/Obstruct Officer

On February 28th a Sergeant on patrol observed a vehicle with a 2 year old expired license plate on Power Rd. near Grand River Ave. As the Sergeant attempted to stop the vehicle, the vehicle pulled into a residential driveway on Power Rd. The driver of the vehicle got out of the driver’s seat of the vehicle and began walking to the front door of the home as the Sergeant was ordering the driver to stop. The driver refused to comply with the Sergeant’s commands and began to open the door to the residence. At that point the Sergeant grabbed onto the driver to prevent him from going into an unknown home. The driver began fighting with the Sergeant so the Sergeant utilized his taser. The driver surrendered and was taken into custody with no further issue. The driver felt that he was being harassed because he had already received a citation for the expired plate a few weeks prior by another police agency, therefore he felt he did not need to comply with any police orders. The man was charged with obstructing/resisting an officer and housed at the Farmington Jail.

Larceny from Auto

On February 28th officers responded to the Drakeshire Apartment Complex for a report of a steering wheel stolen from a vehicle. Upon arrival officers learned that the vehicle had been parked in the parking lot overnight and when the owner came out to his car he found that his window was smashed and the steering wheel missing. Evidence was collected on scene and the incident was forwarded to the detective bureau for further investigation.

Carrying a Concealed Weapon

On March 6th at 3AM officers responded to the Kingslane Condominium Association for a report of a suspicious vehicle occupied by three individuals. Upon arrival officers made contact with the occupants of the vehicle. As officers were interviewing the occupants, one officer observed a pistol grip peeking out from the pocket of one of the passengers. Officers drew their own firearms and successfully detained all three individuals without any further incident. The passenger admitted to carrying the
