WEEKLY RECAP

February 6, 2017 thru February 12, 2017

Disorderly Conduct

On February 6th an Officer responded to a Farmington service station for a report of a disturbance. Upon arrival, the Officer learned that a former employee that was previously fired for stealing from the business was causing a disturbance. The former employee was demanding their final W2 Form, but the employer did not have it on hand at the time. The former was advised by the Officer not to return or they would be arrested for trespass. Further arrangements were made for the W2 to be picked up by another party.

Hit and Run Traffic Crash

On February 7th a Detective took a front desk report of a hit and run traffic crash that occurred in the Downtown Center. A witness provided the Detective and victim with suspect vehicle information. The Detective identified and interviewed the driver of the suspect vehicle and made a verbal admission of responsibility. The driver was cited for leaving the scene of an accident.

Intimidation

On February 10th an Officer responded to a Farmington Credit Union for a late report of an incident of intimidation. The branch manager reported that on February 7th a member/suspect became upset because their 1099 form was not yet available. The suspect made threatening comments to a branch employee causing them to be "rattled". The Officer also learned that suspect has a history of intimidating and harassing behavior. The branch manager advised the Officer that they wanted the incident documented but handle the incident internally.

Possession of Marijuana / Narcotic Paraphernalia

On February 11th an Officer stopped a vehicle in the area M-5 and Gill Rd speed (95/70). After stopping the vehicle and speaking with the driver the Officer could smell the odor of marijuana coming from the interior of the vehicle. While searching the vehicle the Officer located a small amount of marijuana and a metal grinder both in the center console. The driver was arrested and transported to the Farmington Jail.

Operating Under the Influence of Drugs

On February 11th an Officer responded to a report of a property damage crash/accident. Witnesses to the crash reported to the Officer that they believed the at-fault driver might be intoxicated. The Officer, after speaking to the at-fault driver/suspect, conducted field sobriety evaluations and further learned that the suspect had taken prescription

medications prior to driving. The suspect was arrest for Operating Under the Influence of Drugs (OUID) and submitted to a voluntary blood draw. The case is pending laboratory results from the blood draw.

Operating while Intoxicated (High BAC)

On February 12th Officers responded to a report of a possible drunk driver that pulled into the parking lot of a Farmington business in the area of Nine Mile and Gill Road. Officers located the vehicle and found the driver passed out behind the wheel. After waking the driver, the Officer had the driver complete field sobriety evaluations to include a PBT, resulting .20(1). The driver was arrested for OWI and transported to the Farmington jail.
