### SUMMARY OF NOTABLE INCIDENTS

#### Extortion

On December 13<sup>th</sup> a Lakeway resident came into this police department to report that he is the victim of an extortion. The resident advises that on December 12<sup>th</sup> he had met a woman online through an app named "Kik". The conversation soon became sexual in nature resulting in the resident sending the female a naked photo of himself. At the point that the resident sent the photo, the woman sent a message to him advising that she will be releasing the photo to the resident's friends and family unless he sends her \$200 via PayPal. The resident sent the money, but the woman then demanded \$300 more. At that point the resident came to the police department to report the crime. The incident was turned over to the detective bureau for further investigation.
