

Farmington Vision Plan: **VISIONING MEETING 4**

You are invited to attend the fourth meeting for the Farmington Vision Plan. At our last meeting the draft vision components were revealed, and we brainstormed project strategies to accomplish each component of the vision.

At this fourth meeting we will review the results of the brainstorming session, and begin to refine our list of strategies, in essence the 'rubber meets the road'. We are nearing the end of the project so please be sure to attend this important meeting that sets the course for implementing the vision.
