

Grand River Corridor VISIONING SUMMIT / PUBLIC MEETING

**Wednesday,
January 23, 2013**
6:30 - 8:30 PM

Location
Costick Center
28600 Eleven Mile Rd.
Farmington Hills, MI 4833

Description: The Cities of Farmington Hills and Farmington have established a Corridor Improvement Authority (CIA), which is a tool used by local governments to revitalize commercial and mixed-use corridors located outside the traditional downtown area. The CIA is developing a plan which will guide future development and redevelopment within the Corridor area.

Why we need you: This Summit will give you the opportunity to learn about the project and actively participate in small groups to generate ideas and identify potential challenges to the success of the Corridor.
